

# 8th Annual PARTY IN THE VILLAGE!

Presented by: Carmel Valley Village Improvement Committee

October 2019

Dear Business Owner/Manager

We are gearing up for the 8th annual Party in the Village - a dinner dance, raffle, and auction to benefit our Village. Do you know what Carmel Valley Village Improvement Committee (CVVIC) does? We don't often toot our own horn so not many people recognize what we do. We:

- maintain the Welcome Garden that greets visitors to the Village
- created pathways that invite people to stroll from business to business and we supplied trash receptacles throughout the Village (which we have emptied weekly)
- worked with the County and PG&E to get the utilities buried and light fixtures replaced with quaint lantern-style lights
- pay 100% of the rent for the Monterey County Sheriff's substation adjacent to Tularcitos School in the Village (and have since 2000)

We all benefit each day from the work done by the Carmel Valley Village Improvement Committee. To keep CVVIC working on behalf of all Village residents and businesses, we invite you to contribute to our upcoming fundraiser. We would like your help. There are two ways you can help:

- Donate silent auction items or gift certificates.
- Make a tax-deductible financial contribution. Any amount is welcome and \$500 or more provides you with sponsorship recognition.
